

# Living Headship: Voices, Values and Vision (Published in association with the British Educational Leadership and Management Society)

'The book has a wide appeal to existing heads, aspiring heads, lecturers and writers about headship. The contributors to this book have lifted the curtain on the realities of headships and, in the process, have added to our understanding of what school leadership is all about these days' - *Managing Schools Today*

Practitioners and trainers understand how vitally important school leadership is to the practice of headship. **Living Headship** presents the experiences of successful heads working in primary and secondary schools. We hear in their accounts the authentic voices of heads determined to ensure that their leadership enhances the performance of their schools. Some have been in post for many years, and
