

# Witch-ikon: Witchcraft in Art and Artifact

The figure of the Witch has haunted the margins of religion and spirituality for thousands of years, as a figure of transgressive spiritual power, outlaw magic, and alluring sexuality. Equally pervasive is her presence in art, from ancient depictions in the near east, through the European Middle Ages, down to her present representations in occult subculture. WITCH-IKON gathers a selection, of images of witches and their diabolical magic, emphasizing the range of artistic depictions that have helped coalesce this most powerful of modern supernatural icons. Numerous full color images are accompanied by several scholarly essays concerning the iconography of witchcraft and the images used to represent witches through time.
